

621 – 624

CHIPPING HAMMER

Wespro Pneumatic Tools

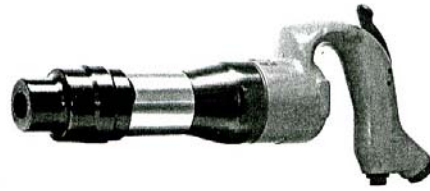

Steel retainer c/w
lock spring &
bumper (round
collar chisel only)
621031RC
Code: 72594

Urethane
bumper for
621031RC
UB-001
Code: 71400

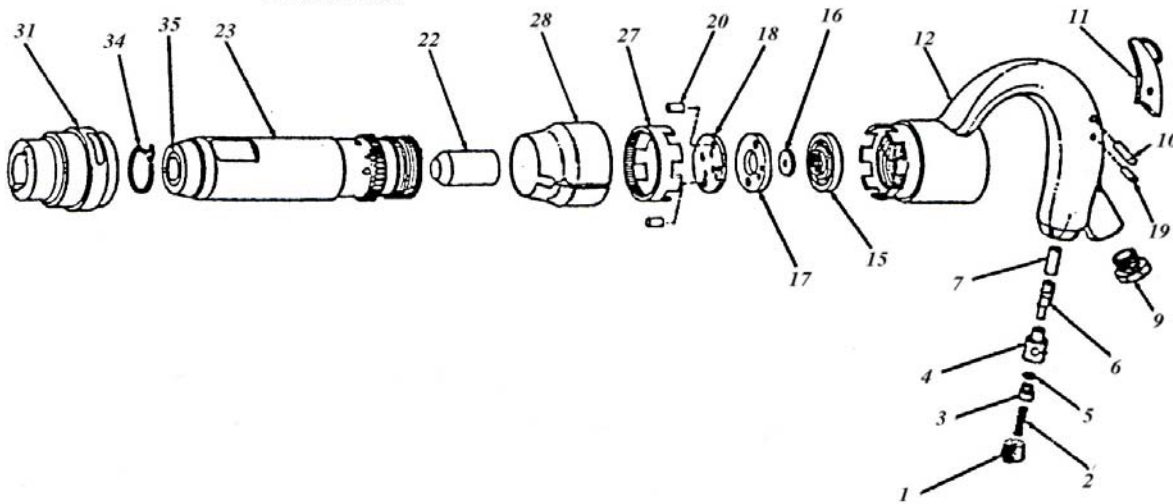

Steel retainer
lock spring
621034
Code: 59787

Both round collar and oval collar retainers are available. Specify which type of retainer is required. The round collar uses a urethane bumper to reduce damage to the hammer & retainer.

621031OC
Code: 64445
Steel retainer c/w
lock spring for
oval collar chisels.
