

PS600C ADJUSTABLE CLUTCH PULL SETTER

Wespro Pneumatic Tools

DO NOT clamp the handle in a vise or other clamping device ! Also DO NOT stamp the aluminum handle body anywhere with letter or number stamps. In doing so, the valve box can be fractured thus requiring a new handle. If marking is required, it should be done with an engraving tool.

*** Handle Assembly 152513
(Include parts #1,2,2A,3,4,5)**

No.	Description	Order Code	Qty	No.	Description	Order Code	Qty
1	Air Inlet	148378	1	19	Retainer Ring	149223	1
